THE WEEKLY DIGEST

VOL. 78 NO. 19 SECTION TWO NOV. 4, 1979

## INDEX TO VOLUME 77

### JANUARY THROUGH JUNE 1979

Items in QUOTE are arranged alphabetically according to subject matter. In the semi-annual index, the first numeral in each reference indicates the page, therefore, "ACTIONS-287" tells you that an item on actions will be found on page 287.

One or more letters following a page number refer to material in regular departments. For example: "BASKETBALL-453" indicates that an item on that subject is in Sports Shots on page 453.

When the letter "F" follows a page number, this refers to filler material printed on that page.

A complete list of department abbreviations appears below:
